HOME HEALTH

HOSPICE

HOMEMAKER/ IN-HOME SUPPORT

HOME HEALTH

{ You are eligible for home health care if intermittent home visits can meet your needs **and:** }

It is ordered by your physician.

You are essentially homebound.

Your condition requires the skills of our staff.

You and/or your family are being taught to take over the needed care.

HOSPICE

{ You are eligible for hospice if: }

You have a confirmed diagnosis of an advanced state of terminal illness.

Life expectancy of six months or less.

Referral by an attending physician.

There is an agreement among family, patient and a physician that hospice care is appropriate.

HOMEMAKER/ IN-HOME SUPPORT

{ You are eligible for homemaker/ in-home support if: }

We provide services as authorized through the Missouri Division of Senior & Disability Services and Veteran's benefits.

We also provide services through a private payment option.

Phelps Regional Homecare accepts Medicare, Medicaid, Private Insurance Companies, or they can develop a self-payment program that works best for you.

MEDICARE	Patient must be homebound	All services require a physician's order	Care is usually short term for an acute illness episode	There must be a skilled need for the services provided
MEDICAID	Limited to a total of 100 nursing/ aide visits a year	Therapy visits are limited to pediatric patients only	Adults must be homebound	Medicare requirements apply as well
INSURANCE	We accept most private insurance companies	Call 573-364-2425 with any questions		
PRIVATE PAYMENT	We can set up a private payment plan that works best for you
